The Yuba County Planning Commission will consider the following:

Conditional Use Permit CUP-25-0001 (Yuba-Sutter Transit): The applicant, Yuba-Sutter Transit, proposes to construct a new administrative, operations, and maintenance transit facility. Before determining whether the project qualifies for this exemption, the County is required to hold at least three noticed public meetings to hear and respond to public comments. This is the third of three such meetings. **This is an informational meeting to receive public comment only;** the Planning Commission will not be taking action to approve, deny, or otherwise act on the project at this meeting.

Any person wishing to testify on the above projects may submit written comments or objections to the Community Development and Services Agency at 915 8th Street, Suite 123, Marysville, CA 95901, prior to the hearing.
