

YUBA COUNTY DEPARTMENT OF AGRICULTURE

PROPANIL I

PERMIT CONDITIONS FOR THE USE OF PROPANIL, NON-EMULSIFIABLE FORMULATIONS IN DESIGNATED AREAS OF YUBA COUNTY

USE OF THE NON-EMULSIFIABLE FORMULATION OF PROPANIL IS PERMITTED IN DESIGNATED USE AREAS SUBJECT TO THE FOLLOWING:

USE OF THE **EMULSIFIABLE FORMULATION** OF PROPANIL IS **PROHIBITED**. **AERIAL APPLICATIONS** OF ALL FORMULATIONS OF PROPANIL ARE **PROHIBITED**.

All applications of **NON-EMULSIFIABLE** formulations of Propanil shall be applied by ground-based herbicide equipment only.

A. Each operating nozzle of the application equipment shall produce a droplet size, in accordance with the manufacturer's specifications, not less than 500 microns volume median diameter (Dv0.5) with 10 percent of the diameter by volume (Dv0.1) not less than 200 microns.

B. Ground equipment shall be inspected by the Yuba County Agricultural Department **prior** to the first application to assure compliance with the above conditions. If time constraints prohibit the inspection, the Commissioner may allow the application to commence.

Unless expressly authorized in writing by the Agricultural Commissioner, no application shall be made within one (1) mile of cultivated commercial prunes and within one-half (1/2) mile of other sensitive crops.

No application shall be made if the wind speed exceeds 10 miles per hour.

A Notice of Intent (NOI) is required at least 24-hours prior to an application.
