- **Description of Project/Program/Event:** *(Please provide a detailed description of your project, including its primary activities and goals.)*

  HEGEMONY Sports, a 501(c)(3) youth development nonprofit based in Plumas Lake, is launching South Yuba County's first-ever NHL STREET Hockey League for boys and girls ages 4 to 15. By introducing the official, non-ice NHL STREET format, this initiative brings an exciting, low-barrier team sport to District 4. The program eliminates the steep financial, equipment, and travel barriers typical of traditional hockey by utilizing standard athletic shoes and local outdoor paved surfaces. Grant funding from the District Priorities Fund (DPF) will directly assist in covering the essential startup equipment required to make this league accessible, safe, and affordable for local families.

  See attachment.

3. Community Impact

- **Project Benefits to the Public & Organization Objective:** *(Explain how this project will benefit the community and how it aligns with your organization's mission.)*
  Plumas Lake and neighboring South Yuba County communities have seen substantial family growth, yet local recreational options remain limited. Families frequently commute outside the district to Yuba City, or the Sacramento area for specialized sports, or find themselves priced out by high registration and equipment fees. Launching an NHL STREET program creates an immediate, close-to-home outlet for youth who are either priced out of current offerings or looking for an alternative to traditional sports, keeping kids active and socially connected within their community.

- **Areas Served:** *(List the specific cities, towns, or communities that will be served by this project.)*
  Plumas Lake & Olivehurst surrounding areas
