Tentative Parcel Map TPM2008-0002 (Amendment to Scope of Project, Site Plan & COAs)

Applicant requests approval of a revision to a previously approved Tentative Subdivision Tract Map to modify the subdivision layout. The original approval was based on a fully commercial subdivision consisting of 23 lots; this revision reduces the total number of lots to 15. This project is located in the community of Plumas Lake (APN: 014-400-026). All 15 proposed lots are vacant. The 2030 General Plan designates the site Commercial Mixed Use (CMU), and it is zoned Highway Commercial (HC) under the Plumas Lake Specific Plan. An Initial Study/Mitigated Negative Declaration was prepared for the original project in accordance with CEQA Guidelines; therefore, no additional environmental review is required as the scope of the project has not increased.

In compliance with the Americans with Disabilities Act, the meeting room is wheelchair accessible and disabled parking is available. If you have a disability and need disability-related modifications or accommodations to participate in this meeting, please contact the Community Development and Services Agency at (530) 749-5430 or (530) 749-5434 (fax) and ask for the DRC Hearing Secretary. Requests must be made two full business days before the start of the meeting.
