Tentative Subdivision Tract Map TSTM 2019-0003 (Yuba Heritage Amendment to Scope of Project, Site Plan & COAs)

The proposed amendment to TSTM 2019-0003 would revise the previously approved 92-lot subdivision to a 62-lot residential project, increasing typical lot widths and depths while maintaining consistency with current zoning standards. The project also includes site design modifications such as conversion of the central street to a private alley (Bullards Alley), addition of a parklet, provision of shared trash enclosure lots, a new right-in/right-out access at Lake Way, and updated property boundaries reflecting developer ownership of the southern drainage area.
