PLANNING COMMISSION STAFF REPORT

- Hearing Date:** September 17, 2025
- Case Number:** DEVELOPMENT AGREEMENT: Ross Ranch Phase 1, (DVA-2025-0001)
- Request:** A request by JAS Land Fund 3 LLC to enter into a Development Agreement with the County of Yuba to extend the map expiration date of Ross Ranch (TSTM 2004-0052) for a term of 15 years.
- Location:** The project is located northeast of the intersection of River Oaks Boulevard and Cimarron Drive in the Plumas Lake Specific Plan.
- Applicant:** JAS Land Fund 3 LLC
5098 Foothills Blvd., Suite 3-265
Roseville, CA 95747
- Recommendation:** Adopt the attached resolution recommending that the Board of Supervisors approve the Development Agreement between the project ownership group and Yuba County.
-

BACKGROUND:

The Ross Ranch subdivision is a development consisting of 254.49-acres that was approved for 800 residential lots, of which 395 single-family residential lots and 74.980-acres are in Phase 1 of the project. The remaining lots for Phase 1 are planned roads, open spaces, ditches, parks, and ponds. The project required approval of a General Plan Amendment, Zone Change and Specific Plan Amendment. The Specific Plan Amendment incorporated the project site into the Plumas Lake Specific Plan planning area.

At its meeting of September 27, 2005, the Yuba County Board of Supervisors adopted Ordinance No. 2005-1355 approving the Ross Ranch Project and the following entitlements: Tentative Subdivision Tract Map TSTM 2004-0052 and Development Agreement DA 2005-0001. The

project was originally approved to have a map expiration date of September 27, 2007; however, the project received a number of State mandated map extensions that pushed the map expiration out to October 27, 2025.

The project developer is now seeking to extend the map expiration date an additional fifteen (15) years, with the approval of the proposed Development Agreement.

DISCUSSION:

In order to strengthen the public planning process, encourage private participation in comprehensive planning, and reduce the economic cost of development, the Legislature of the State of California adopted Section 65864 of the Government Code, authorizing local governments to enter into development agreements with applicants for development projects. The objective of such an agreement is to provide assurances that, upon approval of the project, the applicant may proceed with the project in accord with existing policies, rules, and regulations, subject to the conditions of approval, thus vesting certain development rights in the property.

Yuba County Ordinance Code Section 11.66.010 further states that a development agreement may be appropriate where one or more of the following circumstances exist:

- To facilitate development projects for which there is significant applicant contribution toward infrastructure, public facilities, open space or other amenities, or other programs of benefit to the County and its residents;
- To assure the applicant that upon approval of the subject project, the project may proceed in accordance with existing County policies, rules and regulations in place at the time of Development Agreement approval;
- To encourage private participation in comprehensive planning and provision of public facilities, including, but not limited to, streets, sewerage, transportation, potable water, schools and utilities; and
- To provide a net benefit to the County and its residents not otherwise obtainable through other processes.

The property ownership group as demonstrated that they have met the appropriateness of entering into a development agreement as listed above. In addition, Chapter 11.66 requires that a public hearing be held by both the Planning Commission and the Board of Supervisors prior to approval of a development agreement.

A draft of the proposed development agreement is provided in Attachment 2 for the Commission's review (the final documents will be forwarded to the Board of Supervisors for action). It is important to note that the development agreement is still subject to modification until adopted by the Board of Supervisors. As a part of the new development agreement, the developer and the County have agreed to the following main points that meet the circumstances in 11.66.010. The following is a summary of the provisions of the proposed agreements:

1. The agreements shall commence on the effective date of the adopting ordinance and shall continue in force for a period of fifteen (15) years from the project's current expiration date.
2. During the term of the agreements the Developer's rights shall be vested only as to the entitlements already approved.

3. No moratorium, quotas or other growth limitations will be imposed on the properties being vested by the agreements unless uniformly applied by the County for a health or safety issue.
4. In the agreements the County agrees to make best efforts to process building permits for approved master plans within thirty (30) days.
5. Shared Path Improvements. Developer shall construct a shared path along the north boundary of Village 1, Village 5, and Village 6 within lettered lots B and D as shown on the approved substantial conformance tentative subdivision map dated August 26, 2021. The developer shall dedicate land to Yuba County in fee and grant an easement to RD 784 for access to operate and maintain Plumas Lake Canal and Pump Station No. 1 Inlet Canal. Construction of the shared path shall occur as part of the adjacent development of the project and shall be included in the improvement plans for the residential development. The cost of the real property and construction of the bike path improvements shall satisfy all of the Developer's parkland dedication requirements.
6. Shared Path Tie-Ins. Developer shall construct a total of seven (7) shared path tie-ins as part of the development of the project. The locations of the shared path tie-ins shall be at River Oaks Blvd., Tulare Court, Merced Court, California Ranch Way, Cameron Park Court, Placerville Court, and a Paseo near intersection of El Dorado Drive and Markleeville Way.
7. River Oaks Blvd Construction. Developer shall construct River Oaks Blvd from Algodon Road to the north boundary of Phase 1 including all utilities (i.e. water, sewer, storm, dry utilities) as shown on the approved substantial conformance tentative subdivision map dated August 26, 2021.
8. Secondary Access. Developer shall construct all-paved weather secondary access prior to the issuance of the 101st single family residential building permit within Phase 1. The secondary access shall be to Algodon Road.
9. Algodon Road Construction. Developer shall construct Algodon Road from the southern boundary of Phase 1 to River Oaks Blvd and including all utilities (i.e. water, sewer, storm, dry utilities) as shown on the approved substantial conformance tentative subdivision map dated August 26, 2021. The Developer shall work with County to construct the east half of roadway including curb and gutter at the same time as the construction of the northern half. The Developer shall be reimbursed for construction of the east half of the roadway with the understanding that the east half of Algodon Road was the obligation of the developer in Rio Del Oro that were never completed.
10. Traffic Impact Fee. Developer agrees that Section 2.6 Deferral of Countywide Capital Facilities shall not apply to the Plumas Lake/North Arboga Study Area Traffic Impact Fees. PLSP/NASA Traffic Impact fees shall be accelerated as follows: At final map recording, thirty (30) percent of the traffic impact fees shall be paid for each of the lots comprising the phase of development, less fee credits available. At building permit issuance, the remaining seventy (70) percent of the traffic impact fees shall be paid less fee credits available. The amount of the fees will be based on the rates in effect at the time of map recordation or issuance of building permit as the case may be.
11. Developer shall pay an in-lieu fee of \$50,000 to the Yuba County Planning Department for the costs the Planning Department would have received for processing any new subdivision applications that this agreement no longer would make necessary. This in-lieu fee shall be made on or before sixty (60) days after the Effective Date. This in-lieu fee also includes all cost and fees associated with such Annual Review as specified in

Section 3.2 and payment of the in-lieu fee shall be made on or before sixty (60) days after the Effective Date.

12. Termination of DA 2005-0001. The terms and requirements of DA 2005-0001 within Ross Ranch Phase 1 shall terminate upon approval of Development Agreement (DA) 2025-0001. The terms and requirements of DA 2005-0001 shall remain in place for Phase 2 through 5.

ENVIRONMENTAL DETERMINATION:

The development agreements are exempt from further environmental review pursuant to Section 15182 of the California Environmental Quality Act regarding “Residential Projects Pursuant to a Specific Plan”, due to the fact the development agreements proposed do not alter the maps, the conditions of approval of the maps or the environmental determinations made at the approval of the maps.

THIS DEVELOPMENT AGREEMENT (“Agreement”) is made by and between the COUNTY OF YUBA, a political subdivision of the State of California (“County”), JAS Land Fund 3, a California Limited Liability Company, pursuant to the authority of Article 2.5, Chapter 4, Division 1, Title 7 (§ 65864 et seq. of the Government Code) relating to Development Agreements.

RECITALS

1. In order to strengthen the public land use planning process, to encourage private participation in the process, to reduce the economic risk of development and to reduce the waste of resources, the Legislature adopted the Development Agreement Law (Gov. Code, § 65864 et seq.)
2. The Development Agreement Law permits cities and counties to contract with private interests for their mutual benefit in a manner not otherwise available to the contracting parties. Such agreements, as authorized by the Development Agreement Law and by common law, assure property developers that they may proceed with their projects with the assurance that approvals granted by public agencies will not change during the period of development. Cities and counties are equally assured that costly infrastructure such as roads, sewers, fire protection facilities, etc., will be available in a timely manner.
3. The parties have, in good faith, negotiated the terms hereinafter set forth which carry out the legislative purpose set forth above and will assure the parties to this Agreement of mutually desirable development in a manner consistent with the CEQA document, the Entitlements, and this Agreement.
4. Developer owns in fee (or holds an option to purchase for a term that is or may be extended for at least the term of this Agreement) the Subject Property commonly referred to as **Ross Ranch Phase 1** as more particularly described on **Exhibit A** hereto, located in the County.
5. County, in response to Developer’s application(s), after public hearings and extensive environmental analysis, has granted approval of the Entitlements, as set forth on the Reference Sheet.
6. In support of the various Entitlements described in paragraph 5 above, and in accord with the California Environmental Quality Act (“CEQA”) and State and County guidelines, County has accepted and ratified a CEQA document, as set forth in the Reference Sheet.
7. Development of the Subject Property pursuant to the terms and conditions of the Entitlements, the General Plan and appropriate environmental determinations will provide for orderly growth and development consistent with the County’s General Plan and other development policies and programs.
8. The Planning Commission considered this Agreement, and recommended its adoption to the Board of Supervisors.

9. Having duly considered this Agreement and having held the noticed public hearings, County finds and declares that the provisions of this Agreement are consistent with the maps and text of the County's General Plan.

NOW, THEREFORE, the parties hereto agree as follows:

Section 1.13. Releases. Developer, and any subsequent Landowner, shall be deemed released from all further obligations, other than those set forth in the Levee Fee Payment Agreement, relating to the sold, assigned, or transferred property, upon the date that the Clerk of the Board receives a copy of the Assumption Agreement provided for in Section 1.9.

Section 1.15. Reimbursement for Agreement Expense of County. Developer agrees to reimburse County for reasonable and actual expenses over and above fees paid by Developer as an applicant for a pro-rata share of the cost of the preparation of the form of this Agreement, in addition to costs specifically incurred by the County for the preparation of this Agreement, including publishing fees and reasonable staff and consultant costs not otherwise included within application fees then due and payable to the County. Developer shall also pay any and all installments of property tax then due for the Subject Property. Developer agrees to reimburse the County within thirty (30) days after recordation of this Agreement.

Section 1.17. Applicable Law. This Agreement shall be construed and enforced in accordance with the laws of the State of California.

Section 1.18. Invalidity of Agreement/Severability. If this Agreement in its entirety is determined by a court to be invalid or unenforceable, this Agreement shall automatically terminate as of the date of final entry of judgment. If any provision of this Agreement shall be determined by a court to be invalid and unenforceable, or if any provision of this Agreement is rendered invalid or unenforceable according to the terms of any federal or state statute, which became effective after the Effective Date, the remaining provisions shall continue in full force and effect.

Section 1.19. Third Party Legal Challenge. In the event any legal action or special proceeding is commenced by any person or entity other than a party or a Landowner, challenging this Agreement, the Entitlements or any approval subsequently granted by the County for the development of the Subject Property, the parties and any Landowner agree to cooperate with each other in good faith. County may elect to tender the defense of any lawsuit filed by a third person or entity to Developer and/or Landowner(s) (to the extent the litigation, in part or in whole, seeks to overturn or invalidate this Agreement, the Entitlements or any subsequent approval granted for the Subject Property held by or granted to Developer and/or Landowner),

and, in such event, Developer and/or such Landowner(s) shall indemnify, hold the County harmless from and defend the County from all costs and expenses incurred in the defense of such lawsuit, including, but not limited to, damages, attorneys' fees and expenses of litigation awarded to the prevailing party or parties in such litigation. For purposes of this section only, "County" shall include all employees, consultants and agents acting on behalf of the County. Neither party shall settle any such lawsuit without the consent of the other party. The County may elect to participate in the litigation, in which case the Developer and/or Landowner agree to reimburse the County for its litigation costs and fees, including the retention of outside legal counsel and all staff costs. It is the intent of the parties that the County's participation not result in unnecessary duplication of legal services, but rather that the County's active involvement in the litigation be limited to supervising the preparation of the administrative record or discovery as applicable, monitoring of litigation, and responsive pleadings regarding issues which, in the sole opinion of the County, involve broader County concerns than those immediately affecting the Landowner and/or Developer. Upon written demand of the County, Developer and/or Landowner shall deposit with the County such sums as may be specified by the County as its estimated litigation costs and fees for the following thirty (30) day period. Both parties shall act in good faith, and shall not unreasonably withhold consent to settle. In the event that the County elects to settle a claim, and Developer refuses to also settle, County at its sole option, may require Developer to post security in a form and amount reasonably acceptable to the County, for the performance of Developer's duties under this section to indemnify, hold harmless, and defend. If the Developer, within thirty (30) days of receiving written notice from County, fails to post this security, the Developer shall settle the claim on terms as previously approved by the County. This provision shall survive the termination of this Agreement.

Section 1.20. Priority of Enactment. In the event of conflict between the Development Agreement, the Entitlements and the County Laws, the parties agree that the following sequence of approvals establishes the relative priority of approvals, each approval superior to the approvals listed thereafter: (1) the Development Agreement; (2) the Entitlements; and (3) the County Laws. In the event of a conflict between two or more of the foregoing documents, the language of that document which is superior in priority as provided above shall govern.

ARTICLE 2

THE PROJECT DEVELOPMENT AND DEVELOPMENT OF SUBJECT PROPERTY

Section 2.1. Vested Right. During the Term of and subject to the terms of this Agreement, the Developer's rights shall be vested only as to the Entitlements. "Vested" shall mean that except as to express limitations and reservations contained in this Agreement, Developer has a fully vested right to develop the Subject Property in accordance with the terms and conditions of this Agreement and the Entitlements, and Developer's Entitlements shall not be subject to changes in Applicable Laws. To the extent that any changes in the Applicable Laws are in conflict with Developer's vested rights secured by this Agreement, the vested rights shall prevail. Notwithstanding the foregoing, Developer may elect, in its sole discretion, to comply with or receive the benefits of changes in Applicable Laws by providing notice to the County of said election. If the Developer seeks any additional entitlements, approvals, or permits in the implementation of the Project, the County's consideration of such subsequent

entitlements, approvals, and permits shall be in accordance with Applicable Laws. Upon approval of such subsequent entitlements, approvals, or permits, such subsequent entitlements, approvals, or permits shall also be considered vested. This section shall not be construed to limit the authority or obligation of the County to hold necessary public hearings, or to limit the discretion of the County or any of its officers or officials with regard to rules, regulations, ordinances, laws and entitlements, which require the exercise of discretion by the County or any of its officers or officials in accordance with the Applicable Laws, or exercise those reserved powers as set forth in Section 2.9.

Section 2.2. No Moratorium. Except as otherwise provided by the terms and conditions of this Agreement or the Entitlements, no ordinance, resolution, rule, regulation or policy of County shall be applied, imposed or enacted by County, by resolution, ordinance, initiative, or otherwise, which in any way relates to the rate, timing or sequencing of the development or use of the Subject Property, or any improvements related thereto, including without limitation, any no-growth or slow-growth moratoriums or annual development allocations, quotas or limitations, or in any way conflicts with the permitted uses, density and intensity of uses, maximum building height and size set forth in the Entitlements; provided, however, Developer shall be subject to any such growth limitation ordinance, resolution, rule; regulation or policy which is adopted on a uniformly applied, County-wide basis and directly concerns an immediate, verifiable adverse risk to public health or safety, in which case County shall treat Developer in a uniform, equitable and proportionate manner with all properties which are zoned consistent with Developer's zoning set forth in the Entitlements.

Section 2.3. Permitted Uses and Development Standards. The permitted uses and development standards shall be those as set forth in and permitted by the Entitlements, including County zoning, Applicable Laws, subdivision and land development standards as of the Effective Date.

Section 2.4. Application, Processing and Inspection Fees. Application fees, processing fees, and inspection fees that are revised during the term of this Agreement shall apply to the development pursuant to this Agreement, provided that such revised fees apply generally to similar private projects or works within the County.

Section 2.5. Impact Fees. Developer shall be subject to the current development impact fees at the time that development occurs. The Development may have prepaid certain impact fees. It is noted that prepaid fees will run with land.

Section 2.6. Deferral of Countywide Capital Facilities Fees. Developer agrees that all countywide capital facility and development impact fees, including road fees, otherwise paid by Developer at the issuance of building permit, shall instead be deferred and paid at the time of the final inspection made prior to occupancy. The amount of the fees will be based on the rates in effect at the time of issuance of building permit.

Section 2.7. Processing of Building Permits and Plot Plans by County.

(a) **Building Permits.** The County shall make best efforts to process and approve within thirty (30) days all building permits for approved master plans requested by Developer, provided that the Developer submits to the County all required materials, including building and plot plans, and pay all required submittal fees at the time of submission. No building permits issued to Developer shall expire prior to eighteen (18) months from the date issued, and all such building permits shall be automatically extended for a further twelve (12) month period.

(b) **Plot Plans.** The County shall make best efforts to process and approve within thirty (30) days all plot plans submitted by Developer, provided that a request for a revised floor plan or elevation shall (i) be submitted at least thirty (30) days prior to the first inspection, and (ii) include changes that are based upon an approved master plan. Any revised submittal which results in an increase in square footage shall be accompanied by any required payment for the difference between the amount previously paid and the amount now due based upon the increase in square footage. Any revised submittal which results in a decrease in square footage shall not be entitled to a refund of fees.

Section 2.8. Life of Tentative Maps. The life of any tentative map or parcel map approved as of the Effective Date is extended for the Term of this Agreement or the duration of such entitlement approval according to law, whichever occurs later, as provided in Government Code sections 66452.6(a) and 65863.9. In the event that this Agreement is terminated for any reason, any extension to a tentative subdivision map or parcel map provided by this Agreement shall automatically expire

Section 2.9. Reserved Powers. Notwithstanding any other provision of this Agreement, and without limitation as to any other requirements or exceptions contained in this Agreement, the County retains the authority to take the following actions and apply the same to the Subject Property:

(a) The authority of the Board of Supervisors to adopt regulations to protect the County and its citizens from an immediate and significant adverse risk to health and safety. This shall include, but not be limited to, lack of sufficient sewer and/or water facilities, but not school facilities.

(b) Adopt new or amended building codes (as may be amended by the County), including, but not limited to, the Uniform Building Code, Uniform Fire Code, Uniform Mechanical Code, Uniform Plumbing Code, National Electrical Code, Uniform Housing Code, and Uniform Sign Code, that generally apply equally to all buildings, structures, and real property in the County.

(c) Adopt land use regulations, ordinances, policies, programs, resolutions or fees generally applicable to similar development projects adopted or undertaken by County in order to comply with state or federal laws, or regulations, provided that in the event that such state or federal laws or regulations prevent or preclude compliance with one or more provisions of this Agreement, such provision or provisions shall be modified or suspended as may be necessary to comply with such state or federal laws or regulations.

(d) Adopt County land use regulations, ordinances, policies, programs or resolutions after the Effective Date, which are in conflict with the Applicable Laws, but the application of which to the development of the Subject Property has been consented to in writing by the Developer and/or the applicable Landowner by later separate document, which consent Developer and/or Landowner may withhold in their sole and exclusive discretion.

Section 2.10. Obligation and Rights of Mortgage Lenders. The holder of any mortgage, deed of trust or other security instrument with respect to the Subject Property, or any portion thereof, shall not be obligated under this Agreement to construct or complete improvements or to guarantee such construction or completion, but, in the event said holder takes title to the Subject Property through foreclosure of a mortgage or a deed of trust, or deed-in-lieu of such foreclosure, said holder shall be bound by all of the terms and conditions of this Agreement which pertain to the Subject Property or such portion thereof in which it holds an interest. Any such holder who comes into possession of the Subject Property, or any portion thereof, pursuant to a foreclosure of a mortgage or a deed of trust, or deed in lieu of such foreclosure, shall take the Subject Property, or such portion thereof, subject to any pro rata claims for payments or charges against the Subject Property, or such portion thereof, which accrue prior and subsequent to the time such holder comes into possession. Nothing in this Agreement shall be deemed or construed to permit or authorize any such holder to devote the Subject Property, or any portion thereof, to any uses, or to construct any improvements thereon, other than those uses and improvements provided for or authorized by this Agreement, subject to all of the terms and conditions of this Agreement.

Upon foreclosure or deed-in-lieu thereof, a lender has no obligation to pay any amounts related to the Subject Property unless said lender or successor-in-interest elects to use the Entitlements to develop the Subject Property.

Section 2.11 Tolling and Extension During Legal Challenge or Moratoria.

(a) If this Agreement, any of the Entitlements or any subsequent entitlements, approvals or permits required to implement the Entitlements (such as any required fill permit) are subjected to legal challenge by a third party, other than Developer, and Developer cannot or elects not to proceed with development of the Subject Property during such litigation, the Term of this Agreement and timing for obligations imposed pursuant to this Agreement shall, upon written request of Developer to County, be extended and tolled during such litigation until the entry of final order or judgment upholding this Agreement, the Entitlements, subsequent entitlements, approvals and/or other permits required to implement the Entitlements, or the litigation is dismissed by stipulation of the parties.

(b) If this Agreement, any of the Entitlements or any subsequent entitlements, approvals or permits required to implement the Entitlements are subjected to moratoria, and Developer cannot or elects not to proceed with the development of the Subject Property during such moratoria, the Term of this Agreement and timing for obligations imposed pursuant to this Agreement shall, upon written request of Developer to County, be extended and tolled during such moratoria. Moratoria shall be defined as restrictions, moratorium or de facto moratoria on

approval or recordation of final maps, issuance of building permits, final inspections or certificates of occupancy, or approval or issuance of other such entitlements or permits, at the time of the transfer which would limit the reasonable ability to construct in a similar fashion a development project previously approved by the County

Section 2.12 Timing of Construction and Completion. Notwithstanding any provision of this Agreement to the contrary, there is no requirement that Developer initiate or complete development of the Subject Property or any particular phase of development of the Subject Property within any particular period of time, and County shall not impose such a requirement on any subsequent approval. The parties acknowledge that Developer cannot at this time predict when, or the rate at which or the order in which, phases will be developed. Such decisions depend upon numerous factors that are not within Developer's control, such as market orientation and demand, interest rates, competition, and other similar factors. In light of the foregoing, the parties agree that Developer shall be able to develop in accordance with Developer's own time schedule as such schedule may exist from time to time, for whatever reason, and that Developer shall determine the order in which portions of the Subject Property shall be developed. Without limiting of any of the foregoing, the parties specifically desire to avoid the consequences of the holding of the California Supreme Court in *Pardee Construction Co. v. City of Camarillo* (1984) 37 Cal.3d 465, which held that the failure of the parties therein to consider and expressly provide for the timing of development resulted in a later-adopted initiative restricting the timing of development to prevail over such parties' agreement; consequently, the parties agree that Developer shall have the right to develop the Subject Property in such order and at such rate and at such times as Developer deems appropriate within the exercise of its subjective business judgment. Nothing in this Section 2.12 shall exempt Developer from completing work required by a subdivision agreement, road improvement agreement or similar agreement in accordance with the terms thereof.

Section 2.13 Property Tax. Developer shall pay all installments of property tax applicable to the Subject Property, prior to such installments becoming delinquent, when due.

Section 2.14 Subdivision Improvements. Subdivision Improvements on the Property shall be completed consistent with the approved Conditions of Approval.

(a) **Shared Path Improvements.** Developer shall construct a shared path along the north boundary of Village 1, Village 5, and Village 6 within lettered lots B and D as shown on the approved substantial conformance tentative subdivision map dated August 26, 2021. The developer shall dedicate land to Yuba County in fee and grant an easement to RD 784 for access to operate and maintain Plumas Lake Canal and Pump Station No. 1 Inlet Canal. Construction of the shared path shall occur as part of the adjacent development of the project and shall be included in the improvement plans for the residential development. The cost of the real property and construction of the bike path improvements shall satisfy all of the Developer's parkland dedication requirements.

(b) **Shared Path Tie-Ins.** Developer shall construct a total of seven (7) shared path tie-ins as part of the development of the project. The locations of the shared path tie-ins shall be at

River Oaks Blvd., Tulare Court, Merced Court, California Ranch Way, Cameron Park Court, Placerville Court, and a Paseo near intersection of El Dorado Drive and Markleeville Way.

(c) River Oaks Blvd Construction. Developer shall construct River Oaks Blvd from Algodon Road to the north boundary of Phase 1 including all utilities (i.e. water, sewer, storm, dry utilities) as shown on the approved substantial conformance tentative subdivision map dated August 26, 2021.

(d) Secondary Access. Developer shall construct all-paved weather secondary access prior to the issuance of the 101st single family residential building permit within Phase 1. The secondary access shall be to Algodon Road.

(e) Algodon Road Construction. Developer shall construct Algodon Road from the southern boundary of Phase 1 to River Oaks Blvd and including all utilities (i.e. water, sewer, storm, dry utilities) as shown on the approved substantial conformance tentative subdivision map dated August 26, 2021. The Developer shall work with County to construct the east half of roadway including curb and gutter at the same time as the construction of the northern half. The Developer shall be reimbursed for construction of the east half of the roadway with the understanding that the east half of Algodon Road was the obligation of the developer in Rio Del Oro that were never completed.

Section 2.15 Traffic Impact Fee. Developer agrees that Section 2.6 Deferral of Countywide Capital Facilities shall not apply to the Plumas Lake/North Arboga Study Area Traffic Impact Fees. PLSP/NASA Traffic Impact fees shall be accelerated as follows: At final map recording, thirty (30) percent of the traffic impact fees shall be paid for each of the lots comprising the phase of development, less fee credits available. At building permit issuance, the remaining seventy (70) percent of the traffic impact fees shall be paid less fee credits available. The amount of the fees will be based on the rates in effect at the time of map recordation or issuance of building permit as the case may be.

Section 2.16 Processing Fees. Developer shall pay an in-lieu fee of \$50,000 to the Yuba County Planning Department for the costs the Planning Department would have received for processing any new subdivision applications that this agreement no longer would make necessary. This in-lieu fee shall be made on or before sixty (60) days after the Effective Date. This in-lieu fee also includes all cost and fees associated with such Annual Review as specified in Section 3.2 and payment of the in-lieu fee shall be made on or before sixty (60) days after the Effective Date.

Section 2.17 Termination of DA 2005-0001. The terms and requirements of DA 2005-0001 within Ross Ranch Phase 1 shall terminate upon approval of Development Agreement (DVA) 2025-0001. The terms and requirements of DA 2005-0001 shall remain in place for Phase 2 through 5.

ARTICLE 3

DEFAULT

Section 3.1. General Provisions. Subject to extensions of time by mutual consent in writing, failure or delay by either party or Landowner not released from this Agreement to perform any term or provision of this Agreement, shall constitute a default. In the event of alleged default or breach of any terms or conditions of this Agreement, the party alleging such default or breach shall give the other party or Landowner not less than sixty (60) days' notice in writing specifying the nature of the alleged default and the manner in which said default may be cured. During any such sixty (60) day period, the party or Landowner charged shall not be considered in default for purposes of termination or institution of legal proceedings.

After notice and expiration of the sixty (60) day period, if such default has not been cured or is not being diligently cured in the manner set forth in the notice, the other party or Landowner to this Agreement may, at his/her option, institute legal proceedings pursuant to this Agreement or give notice of his/her intent to terminate this Agreement pursuant to California Government Code section 65868 and any regulations of the County implementing said Government Code section. Following notice of intent to terminate, or prior to instituting legal proceedings, the matter shall be scheduled for consideration and review in the manner set forth in Government Code sections 65865, 65867, and 65868 and County regulations implementing said sections by the County within thirty (30) calendar days.

Following consideration of the evidence presented in said review before the County and an additional 30-day period to cure, either party alleging the default by the other party or Landowner may institute legal proceedings or may give written notice of termination of this Agreement to the other party; provided, however, a Landowner may only give such notice with respect to such portion of the Subject Property in which Landowner owns an interest.

Section 3.2. Annual Review. The County shall, at least every twelve (12) months during the term of this Agreement, review the extent of good faith substantial compliance by Developer and Landowner with the terms of this Agreement. Such periodic review by the Director, unless referred to the Planning Commission or the County Board of Supervisors shall be limited in scope to compliance with the terms of this Agreement pursuant to California Government Code section 65865.1. Each said review shall be completed within sixty (60) days of the first meeting of the Planning Commission and the County Board of Supervisors, respectively, at which such review is undertaken, unless said period is extended by mutual consent of the County and Developer. Failure to complete said review within the prescribed period shall be deemed a finding of good faith substantial compliance. Notice of such annual review shall include the statement that any review, the result of which the local agency finds and determines on the basis of substantial evidence, that the Developer has not complied in good faith with the terms or conditions of the Development Agreement, may result in amendment or termination of this Agreement in accordance with Government Code section 65865.1. The County may charge, and Developer shall pay a fee for such annual review to defray the cost to the County to process and conduct such annual review.

The County shall deposit in the mail or fax to Developer and/or Landowner a copy of all staff reports and, to the extent practical, related exhibits concerning contract performance at least seven (7) days prior to such periodic review. Developer or Landowner shall be entitled to appeal

a determination of the Director to the Commission and then to the Board of Supervisors. Any appeal must be filed within ten (10) days of the decision of the Director, or the Commission, as the case may be. Developer or Landowner shall be permitted an opportunity to be heard orally and/or in writing regarding its performance under this Agreement before the Commission, Board of Supervisors, and/or Director, as the case may be.

Section 3.3. Developer Default Limited to Property/Entity; Separate Obligations of Owners. Except as specified herein in Section 3.1, no default hereunder in performance of a covenant or obligation with respect to a particular portion of the Subject Property shall constitute a default applicable to any other portion of the Subject Property, and any remedy arising by reason of such default shall be applicable solely to the portion of Subject Property where the default has occurred.

Section 3.4. Cumulative Remedies of Parties/Waiver of Right to Damages. In addition to any other rights or remedies, the County, Developer and any Landowner may institute legal or equitable proceedings to cure, correct or remedy any default, to specifically enforce any covenant or agreement herein, to enjoin any threatened or attempted violation of the provisions of this Agreement.

ARTICLE 4

TERMINATION

Section 4.1. Termination Upon Completion of Development. This Agreement shall terminate upon the expiration of the Term as defined on the Reference Sheet or when the Subject Property has been fully developed and all of Developer's obligations in connection therewith are satisfied. Upon termination of this Agreement, the County shall record a notice of such termination in a manner substantially similar to the form attached hereto as **Exhibit C**. This Agreement shall automatically terminate and be of no further force or effect as to Completed Lots.

Section 4.2. Effect of Termination on Developer Obligations. Termination of this Agreement as to Developer of the Subject Property or any portion thereof shall not affect any of Developer's obligations to comply with the County General Plan and the terms and conditions of any applicable zoning, or subdivision map or other land use entitlements approved with respect to the Subject Property or any other development requirements specified in this Agreement to continue after the termination of this Agreement. Termination shall not affect any independent obligations to pay assessments, liens, or taxes.

Section 4.3. Effect of Termination on County. Upon any termination of this Agreement, as provided for under the terms and conditions of this Agreement, as to Developer of the Subject Property, or any portion thereof, the entitlements, conditions of development, limitations on fees and all other terms and conditions of this Agreement shall no longer be vested hereby with respect to the Subject Property affected by such termination (provided vesting of entitlements, conditions or fees applicable to the Subject Property shall be governed by planning

and zoning law) and the County shall no longer be limited, by this Agreement, to make any changes or modifications to such entitlements, conditions or fees applicable to such property.

(a) this Agreement is unmodified and in full force and effect, or if there have been modifications hereto, that this Agreement is in full force and effect as modified and stating the date and nature of such modifications; and

(b) there are not current uncured defaults under this Agreement or specifying the date, nature of any default and manner of cure.

This certificate may be executed by the Director.
