Name: Dom Belza **Age: 43**
Occupation: Agricultural Businessman/Father

For four generations, my family has called the North State home. My great-grandfather was a rancher and business owner. Through hard work and perseverance, my family learned our way of life. We still have farmland, successful businesses and remain deeply rooted in our community.

Our Congressman, James Gallagher, endorsed me to carry on his legacy for this district. Like him, I will be a strong, reliable voice for you.

Coming from agriculture, I understand water is our lifeblood in the North State, which is why I support building a sustainable supply of fresh water.

I believe that an honest day's work should lead to a better future. Unfortunately, Gavin Newsom and the one-party rule continue to push policies that ignore rural communities, raise taxes and force costly mandates on us. I will deliver the much needed balance in California's government.

Just recently, a convicted serial child rapist serving 3 life sentences was set free under the Governor's soft-on-crime policies. I will stop this.

I worked to hold criminals accountable and support victims of violent crime. That's why Sheriff Wendell Anderson, District Attorney Clint Curry, and Crime Victims United have endorsed me to work alongside them.

Frontline firefighters and local Law Enforcement, including California Professional Firefighters and CALFIRE Firefighters, endorse me. They know I'll fight to prevent wildfires and protect lives.

I'm the father of four children and husband to my wife, Julia. The North State is our home and will be for generations to come.

I'd appreciate your vote. www.DomBelza.com.

Name: James "Jamie" Johansson **Age: 58**
Occupation: Farmer

I'm a first-generation farmer, husband, father of three, a proven leader with more than 3 decades of experience solving problems for Northern California. I've built my farm from the ground up and dedicated my career to public service, delivering practical solutions that strengthen our communities.

The reason to vote for me is because Experience matters.

I'm the former President/CEO of the California Farm Bureau, a statewide organization representing farmers. I led through historic drought, wildfires, COVID-19 while championing the essential role of farm workers, advocated for crucial issues including trade, labor and immigration, worked with local, state, and federal leaders to protect water supplies, improve wildfire prevention, reduce burdensome regulations, and strengthen our agricultural economy. I've served on the Oroville City Council and Butte County Farm Bureau Board.

My priorities for District 3 include:

Lower the cost of living by opposing higher taxes, cutting unnecessary regulations, and protecting Proposition 13.

Improve access to affordable homeowners' insurance and reduce wildfire risk through active forest management.

Secure reliable water supplies to protect our communities, farms, and economy.

Support responsible growth, good-paying jobs, and infrastructure while preserving our agricultural heritage and rural quality of life.

Keep our communities safe and defend the constitutional rights and freedoms we value.

My faith guides me to lead with integrity, accountability, and humility. I'll always put the people of District 3 before politics. I'm the grassroots candidate. I respectfully ask for your vote.
