Name: Mary Jane Griego
Occupation: Small Business Owner

Thank you for the opportunity to continue serving our community as a member of the Olivehurst Public Utility District Board of Directors. It has been an honor to represent our residents while working to protect essential services, maintain infrastructure, and be a responsible steward of taxpayer dollars.

As a small business owner, I understand the financial challenges families and businesses face. That perspective has guided my commitment to keeping rates as affordable as possible while maintaining reliable services. During my time on the Board, I have served as Vice Chair and on multiple committees focused on water, sewer, parks, infrastructure, and economic development.

I have also worked to secure grant funding that has helped improve our community while reducing the financial burden on taxpayers. These projects include the Olivehurst Community Park splash pad, and other park projects.

I remain committed to transparency, fiscal responsibility, and making thoughtful decisions that strengthen our district today while planning for the future.

On November 3, I respectfully ask for your vote so I can continue serving the Olivehurst community.
