

WE'RE NOT SCARED!

WE'RE PREPARED!

HEY GROWN-UPS!

Today in class, your child had an awesome time learning all about our Youth Emergency Preparedness Program, "We're Not Scared! We're Prepared!" They met our lovable mascot, Yuba the Owl, and learned how to recognize their emotions during a disaster. They also explored what they could do to prepare for emergencies and how to pack a go-bag! Be sure to ask them about the coolest thing they learned today!
