Release time will be approved subject to the business needs of the County as determined by the employee's supervisor/manager and will be tracked on the employee's timesheet. Unused hours expire and will not roll over into the subsequent fiscal year. Nothing in this provision prohibits the union from requesting additional paid release time for Union Officers, Board Members, or Stewards once the one hundred (100) bank is exhausted, the union must fully reimburse the County for the additional hours of release time at the employee's current rate of pay including required retirement fund contributions.

Upon notification from the Association that an employee has cancelled membership dues, the County will promptly cease dues deductions from the employee's paycheck. The Association must hold the County harmless from any and all claims and will indemnify it against any unusual costs in implementing these provisions and indemnify the County for any claims made by the employee for deductions made in reliance on that certification, in accordance with Government Code §1157.12(a).

If the balance of an employee's wages, after all other involuntary and insurance premium deductions are made in any one (1) pay period, is not sufficient to pay deductions required by this Section, no deduction will be made for that period.

Section 7.03 Duties Imposed on Officers and Employees to be Performed; Staggering Hours of Employment; Compensatory Time-Off

Nothing contained in this Agreement prevents, relieves, or otherwise excuses any County employee from the performance of any duty imposed upon the employee by law, the Yuba County Ordinance Code, or Resolution of this County, or from the rendering of service at such times and places as are necessary in order to properly perform the functions of the employee's office or employment. Section 7.07 Time Off Between Shifts

If an employee who is assigned to a twelve (12) hour shift is required to work during their regularly scheduled time off, the Department Head or designee may schedule time off during the next regularly scheduled shift to ensure the employee has adequate time to rest to avoid the possibility of fatigue. The period of time the Department Head or designee may schedule the employee off may not exceed the amount of time the employee was required to work during their scheduled time off. The employee must use vacation or CTO for these hours.

Section 7.08 Maximum Hours

No employee is required to work more than sixteen (16) consecutive hours. An employee who has worked for sixteen (16) consecutive hours may not be recalled to work prior to the expiration of eight (8) hours following the termination of the consecutive sixteen (16) hour work shift. Any permanent, full-time position (forty (40) hours per week) may be shared by two (2) employees (with one (1) employee working twenty (20) or more hours and the other nineteen (19) hours or less) with the approval of the employees involved, the Department Head, and the Human Resources Director. The work schedule for these employees must be in writing and may only be changed in the same manner as other work schedules in the Department are altered from time to time, provided that the two (2) employees may agree to temporary adjustments with the approval of the Department Head. Employees in job sharing arrangements are entitled to all of the rights and benefits of regular part-time employees but may work no more than thirty (30) hours per week.

A participant in a job sharing arrangement may apply for appointment to a full-time position either in the same classification or, if qualified, in another classification when a vacancy occurs. Applications are considered in the same manner as all other applications for transfer.

If one (1) of the participants of a job sharing arrangement terminates employment or is reassigned to another position, the appointing authority must first offer the remaining participant the right to full-time status before proceeding with the normal process to fill the vacancy as a regular part-time position.

ARTICLE 11 – MERIT PROCEDURES FOR MERIT/LONGEVITY STEP INDEX

Section 11.01 Salary Based upon Merit and Longevity

A regular employee's salary will be determined based upon successful job performance and years of loyal service to the County.

Employees hired on or before June 30, 2013 - Index Rates between 1.0000 and 1.2160 are defined as Merit. Merit increases are increases to Base Rate. Longevity begins upon completion of the fifth (5th) year of service. Longevity is based on Base Rate.

Employees hired on or after July 1, 2013- Index Rates between 1.0000 and 1.300 are defined as Merit. Merit increases are increases to Base Rate. A longevity increase is given upon completion of an employee's tenth (10th) and fifteen (15th) years of service. Longevity is based on Base Rate.

Section 11.02 Salary Determination or Adjustments

An employee's salary is determined or adjusted by multiplying the Base Rate for their classifications, as specified on the Classification System - Basic Salary/Hourly Schedule, by the Index Rate on the appropriate table below as determined by their Service Computation Dates (SCD), consistent with the applicable sections of this Article.

For employees hired on or before June 30, 2013, salary, which includes Merit and Longevity, shall be calculated as follows:

- Merit shall be calculated by multiplying Base Rate by Index Rate up to the cap of 1.2160
- Longevity shall be calculated on the incremental difference between the Index Rate and the cap of 1.216
- Total Salary is Base Rate * Index Rate

* Merit is also referenced as Pay Rate on the Yuba County Classification System - Basic Salary/Hourly Schedule

Section 11.03 To Determine an Employee's Hourly Rate

- Determine the number of years of service an employee has completed based on the employee's Service Computation Date (SCD).
- Refer to the "Number of Years of Service" column. Go to the number of years of service the employee has completed and locate the "Index Rate" immediately to the right.
- Refer to the Classification System – Basic Salary/Hourly Schedule and find the current title of the employee's position.
- Multiply the corresponding Index Rate by the Minimum Hourly Base Rate for the employee's classification to determine the Employee's Hourly Rate.

Section 11.04 Service Computation Date (SCD) and Index Rate Determination

For employees hired on or before June 30, 2013, the Service Computation Date (SCD) determines their Index Rate. The SCD is computed by adjusting their current hire date for any prior service with the County as a regular employee, and for any Leave Without Pay (LWOP).

For employees hired on or after July 1, 2013, the Service Computation Date (SCD) determines their Index Rate. The SCD is computed by adjusting their current hire date by any Leave Without Pay (LWOP).

Section 11.05 Salary Anniversary Date (SAD) For Merit and Longevity Index Rate Adjustments

The employee's Salary Anniversary Date (SAD) is the first (1st) day of the month following their SCD, unless specifically stated otherwise. However, if the SCD is within the first (1st) three (3) days of the month, the SAD will be the first (1st) day of that month in which the employee is hired.

Longevity Step Index increases will occur automatically on the employee's SAD.

Merit Step Index increases will occur automatically on the employee's SAD, unless the Human Resources Department is notified at least thirty (30) days in advance that the employee has received an evaluation that is less than Meets Standards and is on a Performance Improvement Plan (PIP). If an increase is withheld due to a PIP, any further increase will not be approved until the Department notifies the Human Resources Department that the employee's performance at

least meets standards and that the employee has a "Meets Standards" performance evaluation. The employee's Merit Step Index will be the first (1st) day of the month following said successful performance evaluation. However, if the successful performance evaluation is given on the first (1st) day of the month then the merit increase will be given in that same month.

Section 11.06 Prior Service – only applicable for employees hired on or before June 30, 2013

Prior service refers to the number of days between a current employee or applicant's previous hire date and their previous termination date with the County of Yuba as a regular employee. If, when applying the employee's prior service credit on a daily basis, it results in a date which falls within the first (1st) three (3) days of the month, the employee will be given credit for that entire month. Should the application of prior service on a daily basis result in a date other than the first three (3) calendar days, the employee's adjusted SCD will be the first (1st) day of the following month.

Section 11.07 Leave Without Pay (LWOP)

LWOP will be computed in either one (1) of two (2) ways.

- A. **Effective January 1, 2004**, each accumulated eight (8) hour increment of LWOP from work (i.e. excluding nonscheduled workdays such as weekends) will reduce an employee's SCD by one (1) day (i.e. move the SCD forward one (1) day) or,
- B. **Prior to January 1, 2004**, the granting of any leave of absence without pay exceeding fifteen (15) days will cause the regular employee's salary anniversary date to be postponed (moved forward) a number of months equal to the nearest whole number of months for which the leave was taken. All such calculations will be based on the number of days of such leave.

Section 11.08 Advanced Index Rate Hires (external recruitments only)

When it is necessary to attract the best qualified applicants to a critical position or when an applicant's prior experience justifies, the Department Head is authorized to hire a new employee at an Index Rate equivalent to completion of up to the third (3rd) step (Index Rate 1.10). At the request of the Department Head, the Board of Supervisors may approve the appointment of a new employee at an Index Rate equivalent to completion of up to the seventh (7th) step (Index Rate 1.30).

Section 11.09 Salary upon Promotion

When an employee is promoted to a classification with a higher Base Rate, the employee will have their salary adjusted by multiplying the Base Rate for the new classification as specified on the Classification System - Basic Salary/Hourly Schedule by the Index Rate from the appropriate table in Article 11.

Section 11.10 Salary Upon Transfer

When an employee transfers from one (1) position to another within the County, their salary will be determined by multiplying the base rate of the classification to which they transferred by the appropriate index rate consistent with the employee's SCD and other applicable sections of this Agreement.

ARTICLE 12 – OVERTIME PROVISIONS

Section 12.01 Overtime

A. Overtime Work Defined

1. Forty (40)-Hour Work Period. Overtime work is defined as all work specifically authorized by the Department Head that is performed in excess of forty (40) hours per week. Overtime is not approved unless it has been specifically ordered or authorized by the Department Head. In emergency situations, when prior authorization for overtime is not possible, the subsequent approval of the Department Head or designee is sufficient.
2. Time spent on paid vacation only counts as time worked for purposes of computing overtime in the following circumstances:
 - a. When an employee is required to work overtime for an emergency situation after taking a scheduled vacation in that work week. This does not include callback from scheduled standby.
 - b. When an employee is called off vacation for a county wide declared emergency resulting from a natural disaster.

B. Application of Overtime

1. The Department Head or designee may order employees to work overtime.
2. Time worked as overtime is not counted as service time for purposes of employee benefits, eligibility, or accrual, or early completion of probationary period or for merit increases.
3. No permanent, probationary, or limited term employee may be employed in one (1) or more positions, full or part-time, more than a total of forty (40) hours per week, excluding authorized overtime. Nothing in this section precludes an employee from temporarily serving in another capacity in the event of an emergency, provided they have the approval of the Department Head.

C. Overtime Payment

Employees who are assigned FLSA Non-Exempt status receive overtime at one and one half (1.5) times their regular rate of pay, or Compensatory Time Off (CTO) at one and one half (1.5) times the hours actually worked. Overtime is paid or given as CTO at the discretion of the Department Head. Overtime is rounded up or down to the nearest quarter hour. Employees may accrue a maximum of eighty (80) hours of CTO. Only actual hours worked and holidays (including floating holidays) count towards the calculation of overtime.

Section 12.02 Compensatory Time Off

Use of Compensatory Time Off

- A. The Department Head determines the period when accrued (CTO) may be taken by each employee consistent with the needs of the department. Employees must be given prior approval, in writing, before CTO will be granted. CTO must be taken in at least one quarter (1/4) hour increments.
- B. Denial of an employee's request for use of CTO must be based on business necessity.

- C. Last Day of Work. Employees who are terminating employment for reasons other than County retirement may not use CTO to extend their termination date.

Section 12.03 Call Back

- A. Employees eligible for overtime compensation who are required to physically return to work on a regular day off, or who are required to physically return to work after leaving their place of employment will receive two (2) hours of overtime or the actual time worked, whichever is greater. Overtime is computed for work performed from the time reporting at the place of work to the time of completion of the work at the place of work.
- B. Public Works employees who are required to physically return to work, to the worksite, or another assigned work location outside of their regular daytime (Monday through Friday) work shift or called to report back to work after completing their regular daytime (Monday through Friday) work shift are compensated at time and one half (1.5) for all hours worked under the call back. For employees without a take home vehicle, call back time is computed for work performed from the time reporting to the Public Works maintenance yard to the return to the maintenance yard. For employees with a take home vehicle, time is computed for work performed from arrival at the work location to completion of the work.

Public Works employees may elect to use Vacation, CTO, or Holiday (including Floating Holidays) to cover any regularly scheduled shift.

Section 12.04 Standby

- A. Employees, excluding Social Workers and Social Worker Supervisors in Adult Protective Services and Child Protective Services, who are on standby, receive thirty dollars (**\$30.00**) per night for each night of the workweek and forty dollars (**\$40.00**) for normal scheduled days off and holidays spent on Standby time.
- B. Social Workers and Social Worker Supervisors in Adult Protective Services and Child Protective Services who are on standby receive three (3) hours' pay for each weekday they are on standby and four (4) hours pay for each holiday or weekend day they are on standby.

Section 12.05 Cash Compensation

Employees transferring will be paid for all CTO prior to going to the new position. Employees separating from the County service will be paid for CTO balance at employee's current regular rate of pay or the average regular rate of pay for the past three (3) years, whichever is greater.

Section 13.06 Payment of Premium Pays

All incentives, premiums, and special assignments ("Premium Pays") contained in this Agreement will be paid as follows:

Premium Pays will be payable at the full per pay period rate in any pay period an employee is on paid status at least half of the pay period. If an employee is on unpaid status or has been placed on paid administrative leave for more than half of the pay period, Premium Pays will be reduced by half. Premium Pays will not be paid in a pay period if an employee is on LWOP or paid administrative leave for the entire pay period.

Employees hired with Premium Pays within the first (1st) seven (7) days of the month will receive the full pay period rate for their first (1st) pay period of employment; those hired with Premium Pays after the seventh (7th) of the pay period will receive half of the Premium Pays for their first (1st) pay period of employment.

Employees leaving County service during the first (1st) seven (7) days of the pay period will receive half of the Premium Pays for that pay period; those leaving service any time after the seventh (7th) of the pay period will be paid the full pay period rate.

ARTICLE 14 – CLOTHING ALLOWANCE

Section 14.01 Sheriff's Department Uniform Allowance

The County will provide new employees who are required to wear a uniform, their first set of uniforms upon entering service. If the Department Head approves a change in the uniform, the full cost of any new uniform will be borne by the County.

Employees in the Sheriff's Department who are required to wear uniforms will receive a uniform allowance in the amount of twenty-five dollars and thirty-eight cents (\$25.38) per pay period. All other employees who are required to wear uniforms will receive a uniform allowance in the amount of twenty-five dollars and thirty-eight cents (\$25.38) per pay period. To receive the uniform allowance the employee must be in a paid status for a minimum of twelve (12) days.

Section 14.02 Protective Footwear Reimbursement

Employees required by their Department Head to wear safety boots will receive a three-hundred-dollar (\$300.00) reimbursement annually for the purchase of safety boots, insoles, laces, and socks. Boots must meet the American National Standards Institute (ANSI) Standard Z41.1 Rating 75.

Employees in the custodian and cook classifications will receive a one-hundred-dollar (\$100.00) reimbursement annually for the purchase of non-slip footwear.

ARTICLE 15 – ASSIGNMENTS REQUIRING TRAVEL

Section 15.01 Department Head and Employee Responsibility

The Department Head, or designee, may authorize driving privileges to an employee who must drive a county owned, a county leased and/or a privately owned motor vehicle to perform assigned duties, provided the employee meets the following requirements:

A Department Head or designee will cancel a previously authorized driving privilege whenever an employee retires, terminates, is discharged, is unable to produce proof of current, valid auto insurance, or whenever the privilege is no longer necessary for job functions.

Section 15.05 Poor Driving Performance

When an employee is required to drive in the performance of duty, their ability and willingness to drive safely is an important aspect of overall job performance. The failure of an employee to drive safely must be a matter of concern to the Department Head who will be expected to take all means available to identify a poor driver and to improve the employee's driving performance or to relieve the employee of that duty. Poor driving, as other poor performance, can be the basis for discipline pursuant to [Article 31](#) of this Agreement as well as other disciplinary and corrective measures. According to Article 31, discipline may include discharge, suspension, demotion for disciplinary purposes, reprimand, as well as other corrective measures. Department Heads will monitor the accident reports of employees to control and minimize the risk liability to the County. To assist Department Heads to identify poor drivers, they will look for the following situations which are intended to be instructive not all inclusive:

- A. **Repeated minor, at-fault accidents or moving citations.** These are instances where an authorized driver has a record of three (3) or more minor, at-fault vehicle accidents or moving citations in the past twelve (12) months, or four (4) in twenty-four (24) months. - B. **Serious at-fault vehicle accidents.** This is defined as any time an authorized driver has an at-fault vehicle accident while on the job which results in injury or death, or damage to property of any one person or the County exceeding one-thousand dollars (\$1,000).
- C. **Willful misconduct or recklessness.** This is any occasion when the facts reported to the Department Head appear to demonstrate a disregard to safety and the employer's business interest.
- D. **Citizen complaints.** Poor driving performance can also be identified by validated citizen complaints or complaints from other County employees.

Section 15.06 Reimbursement

Employees who are required or permitted to use their own vehicles for conducting County business will be reimbursed for their mileage at the current published IRS rate.

ARTICLE 16 – BENEFIT PROGRAMS

Section 16.01 Benefit Program Coverage

The County of Yuba will continue enrollment in CalPERS for the Health Insurance for the term of the contract. Section 18.03 Accrual

The Department Head and employee will, while considering the needs of the department, schedule sufficient vacation to avoid the employee reaching the maximum accrual. Should the employee fail to request time off, the Department Head may schedule the vacation to the extent necessary to ensure the employee does not reach the maximum accrual.

Section 18.07 Use of Vacation Leave

- A. Vacation Accruals earned at the end of the pay period are available for use the first (1st) of the following pay period.

Section 19.03 Time Sick Leave Begins to Accrue

Employees accrue sick leave with pay the first (1st) day of the pay period following the pay period in which the employee begins work. However, if an employee begins work within the first (1st) three (3) working days of the pay period, then they will accrue sick leave for that pay period.

Section 19.04 Part-Time Employee

A part-time employee accrues sick leave in the proportion of their regularly scheduled hours of service compares to regular full-time service.

Section 19.05 Rate of Accrual

Sick leave is accrued as follows:

- D. A regular full-time employee who separates for any reason during the pay period earns three point six nine two three (3.6923) hours of sick leave for that pay period.

Section 19.07 Recovery of SDI/WC Overpayment: Sick Leave Usage in Conjunction with SDI/WC

For employees covered under the State Disability Insurance (SDI), Paid Family Leave (PFL) program or Workers' Compensation Program (WC), accrued leave may be used to supplement these benefit payments. In no instance, however, will the combination of SDI, PFL, WC, accrued leave, or other County benefit payments exceed one hundred percent (100.0%) of the employee's pay calculated on an hourly, weekly, bi-weekly, or monthly basis .

Employees are required to notify the Human Resources Department within five (5) days upon receipt of benefits, so that the benefits can be integrated. In some cases, due to delays in receiving checks under WC or SDI/PFL, employees may be overpaid. When this occurs, employees must make arrangements to pay back the overpayment within five (5) days unless the employee's condition prevents this.

Failure to make arrangements to pay back the overpayment violates County rules. Accordingly, this may result in the County taking progressive disciplinary action up to and including termination from employment.

If an employee voluntarily makes arrangements for repayment prior to notification of disciplinary action, the Human Resources Department may limit repayment to ten percent (10.0%) of gross pay each month, or a more substantial amount agreed upon, until the total amount is repaid. If the employee has made no repayment arrangements within two (2) months of first receiving duplicate benefits, the Human Resources Department will begin deducting ten percent (10.0%) of the employee's gross pay each month until the total amount is repaid.

Section 19.08 Exclusions

No employee will be entitled to sick leave while absent from duty on account of any of the following cases to the extent permitted by law:

The request for substantiating evidence must be made either on or before the time the employee informs the department of their absence or prior to the employee's return to work. ARTICLE 29 - LAYOFF AND REINSTATMENT PROCEDURES

Section 29.01 Layoffs

The appointing authority may layoff employees pursuant to this section (i) whenever it becomes necessary because of lack of work or funds or (ii) whenever it is deemed advisable in the interests of economy to reduce the work force in a department.

Section 29.02 Order of Layoffs

Persons will be laid off in the following order:

- A. Layoff will be by department and class within the department, except as otherwise noted herein.
- B. When it becomes necessary to reduce the work force in any department, layoff of regular employees will be in the order in which their names appear on the Layoff List for the affected class, as prepared by the Human Resources Director, with those persons having the least seniority credit being first laid off.

- C. A designated position which requires special or unique knowledge or skills critical to the operation of county business which is in the same class as other positions within a department or office may be exempted from the provision in this section when recommended by the appointing authority and approved by the County Administrator.

Section 29.03 Layoff List Computation

When it becomes necessary to reduce the work force in any department, the Human Resources Director will establish a layoff list by department and class. Said layoff list will be based upon seniority as follows:

A. **Seniority Defined.**

1. For each regular employee, except as modified in Section 29.02 of this Article, seniority will be measured from such employee's initial appointment to permanent county service. Seniority will not be calculated nor included for any period during which the employee did not receive compensation, or for any period the employee was on donated catastrophic leave, or for any time the employee was off work as result of a disciplinary action which was appealable and either not appealed or was sustained or modified upon appeal.

For any employee who is re-employed after permanent separation, seniority will be measured from the date of their most recent appointment.

2. Regular employees who held seasonal or limited term status prior to permanent appointment will receive seniority credit for said status only if the service was continuously compensated employment prior to a permanent position.
3. One point seniority credit will be given for each full calendar month of service as specified in (1) and (2) above or for any period of one half (1/2) or more of a calendar month for the first or last months of employment. Permanent part-time employees will receive seniority credit on a proportionate basis to their monthly regular scheduled services.

B. **Tie Breaking.** When two (2) or more regular employees have the same total Layoff credit, the tie will be broken and preference given in the following sequence:

1. Employees with the greatest seniority as reflected by the date of appointment as computed in Section 29.03 A of this Article.
2. Employees with the highest position on the employment list of permanent appointment to their present class.
3. Random drawing.

Section 29.04 Notice of Layoff

The appointing authority will send written notice by certified mail, postage prepaid, return receipt requested and correctly addressed to the last known mailing address of the employee as found in the records of the Human Resources Department. If return receipt is not promptly received by the appointing authority, then it will serve said notice by personal service. If personal service cannot be made, said notice will be effective when mailed by ordinary mail to said address. Notice of Layoff will be mailed or delivered to all regular employees affected by a layoff at least fifteen (15) days prior to the effective date of the action. Said notice will include:

- A. Reason for layoff.

- B. Regulations pertaining to demotion and displacement in lieu of layoff.
- C. Effective date of the action.
- D. Conditions governing retention on and reinstatement from re-employment lists.
- E. Rules regarding waiver of reinstatement and voluntary withdrawal from the re-employment list.
- F. Layoff list credit of the employees.

All employees not in regular positions will be notified of termination at least forty-eight (48) hours prior to the effective date of the action. An employee who is to be laid off may elect to accept such layoff prior to the effective date thereof.

Section 29.05 Demotion and Displacement in Lieu of Layoff

- A. In lieu of being laid off, a regular employee may elect demotion and displacement in lieu of layoff in the same department, to a class previously held by said employee with a lower salary range or to a lower class within a class series which the employee either holds or previously held a class. Class series means a class with the same title but different levels as identified as I, II, III, with a possible IV.
- B. Demotion and displacement rights to specified classifications will be applicable only within the department and subject to layoff list provisions in this section based on seniority and ability.
- C. Notwithstanding Section 29.05 A and B, employees who are transferred in accordance with Section 28.02 of this Agreement and are subject to layoff, should retain their rights to demotion and displacement in lieu of layoff in the previous department or to whichever department the employee's previous position has been allocated if the interdepartmental transfer was initiated by the County. Should an employee exercise rights under this section, all conditions and provisions of these rules shall be applicable.
- D. To be considered for demotion and displacement in lieu of layoff, an employee must notify the Human Resources Department in writing of this election no later than five (5) days after receiving the notice of layoff. Regular employees will have an additional five (5) days after each notification that layoff credit is insufficient to allow displacement as computed in Subsection C above. The Human Resources Director must be notified, in the time frame noted above, for a regular employee to elect to displace to the next lower class.
- E. A Department Head may request that their department be exempted from this subsection if they are able to demonstrate to the Board of Supervisors that this process would damage the overall efficiency and effectiveness of the department.

Section 29.06 Extra Help Employment for Laid Off Employees

Should a regular employee be laid off from a classification and department which utilizes extra help employees in that classification to maintain staffing levels or to perform special projects, the department will offer available extra help employment to the laid off employee. Utilization of extra help will not supplant regular employees.

Section 29.07 Priority Consideration

An employee who has received formal notice of separation from employment resulting from a pending layoff in accordance with [Section 29.01](#) of this Article may elect to have their name

forwarded for Priority Consideration for any County vacancy for which they meet the Minimum Qualifications.

The names of qualifying employees will be sent to the Department Head of any department that has a vacancy as soon as possible, but no later than seven (7) days after the Human Resources Department is notified by the department of the vacancy.

The Department Head with the vacancy is not required to select anyone from the Priority Consideration list; however, they are required to interview all employees whose names are submitted to them before making a final decision on filling the vacancy. If the Department Head would still prefer to consider applicants from a Merit List, they may do so without rejecting from consideration anyone on the layoff list until a final selection is made for the vacant position.

Employees who want to participate in this Priority Consideration program must submit a request in writing to the Human Resources Department and complete a current application (with resume if they wish) with the position title left blank. The Human Resources Department will have authority, only under this program, to copy the employee's application, fill in the position title, and forward it to the Department Head for consideration. The employee's right to participate in this program will terminate on the effective date/time of their layoff and separation from County employment.

Employees who transfer to another department in accordance with this program are subject to the terms and conditions of a transfer as set forth in [Sections 27.07 Probationary Period Upon Transfer](#) and [Article 28 Transfers, Reassignments, and Promotional Opportunity](#) of this Agreement.

Section 29.08 Re-employment List (Layoff or Displacement in Lieu of Layoff)

The Human Resources Director will establish re-employment lists by class listing only those regular employees who are laid off or who displace into another class.

- A. Any person who is laid off or displaces into another class because of temporary or permanent abolishment of their position will have their name placed on the re-employment list for the class from which they have been laid off. Notwithstanding the provisions in Yuba County Merit Resolution Article 10 Certification and Appointment, when a vacancy occurs in a classification for which a re-employment list exists, the entire list of eligible persons will be certified to the Department Head seeking to fill the vacancy. The Department Head will re-employ the eligible person with the most County seniority who was laid off from their department and is actively seeking re-employment. Should there be no eligible person on the list who was laid off from the hiring department, the Department Head will re-employ the eligible person with the most County seniority who is actively seeking re-employment. Should an eligible person reject two offers of re-employment their name will be removed from the re-employment list. If no eligible person is actively interested in re-employment, the order of lists as defined in the Yuba County Merit Resolution Article 9 subsection 12 will be followed.
- B. The name of any person who is laid off or displaces into another class will continue on the appropriate re-employment list for a period of one (1) year after it is placed there. The name of any eligible person on a re-employment list must be automatically removed from said list at the expiration of the one (1) year period except that the Human Resources Director may exercise the option available under the Yuba County Merit Resolution Article 9, subsection 7, Duration of Eligible List.
